**Subject: 2009 Mullen Championship Football Sponsorship Opportunities**

Congratulations to Coach Dave Logan and the 2008 Mullen Mustangs Team in winning the 5A High School Football State Championship for Colorado! There was an extensive amount of work on and off the field, and behind the scenes by coaches, players, the EZC (End Zone Club) members, alumni, parents, sponsors and volunteers to get us to INVESCO Field, and we are here once again to get the new year started off with the same enthusiasm, energy, and hard work to get us in repeat mode.

The End Zone Club is a group of parents and volunteers who spear head the efforts to organize and initiate the communication of information, the calendar of Mullen Football Events, and financially ensure that each item needed to make a State Championship Team to be successful is put into place, and all on a volunteer basis. None of this would be possible without the past and future support of our valued sponsors.

As a sponsor of Mullen Championship Football you will enjoy the following opportunities and benefits in return for your generosity and commitment : locally televised games of a nationally ranked team , large crowds viewing your banner each and every home game, a newly added program that allows your banner and contact information to be posted on the Mullen EZC website for one year (and we truly encourage our Mullen family to utilize the services of our corporate and family sponsors), advertisements in our Game Program, and, please know that your sponsorship is tax deductible! You receive all of these benefits while aligning yourself with the 5A State Champion Mullen Mustangs!

As we enter this New Year, we all understand the impact that economic conditions have on each and every one of us. Please recognize how grateful we are to you for your support of our 2009 program through your contribution. . Each of our sponsorship opportunities (banners, advertisements, programs, player sponsors, letter outreach, etc.), will provide you the opportunity to reach another market segment that will enhance your business opportunities. It is a win win situation for all.

As you review the provided sponsorship offerings, call us with any questions and let us know what works best for you . We have one message that will be heard loud and long throughout our season from each and every one of us in the Mullen Mustang Football Community: Thank You!. Thank you for your time, contribution, and for your gift to support 5A Football State Champions of JK Mullen High School. Go Mustangs!
